

IHE-UK Scheduled Workflow Demonstration

UKRC 2010 7-9 June 2010

NIA & ICC - Birmingham

IHE-UK invite vendors to participate in this demonstration of SWF, PIR & CPI at the UK's premier Radiology conference in June 2010.

Following on from the success of the IHE-UK XDS/XDS-I Demo that was held at the E Health Insider Live exhibition in November 2009, we are planning a complimentary demonstration of the basics of IHE in Radiology.

Our 12-15m² stand will be in a prime location in the main exhibition hall of the NIA, and it will provide plenty of space for 5 to 6 vendors to demonstrate their systems.

We are looking for companies that can support the following actors: ADT, OP, OF, MOD, PACS & ID.

Promotion:

We will promote through advertisement, articles and direct mail to our IHE-UK contacts. This will include the names of participating companies when formal letters of intent have been received.

In addition to this, IHE will be placing an editorial in the pre-show edition of RAD magazine (One of the UK's premier radiology/radiographer magazine) promoting the demo.

Fees (All systems on site)

	Total (if 50% deposit received before 31 st Jan 2010)	Total (if 50% deposit received after 28 Feb 2010)
First system	£1700.00 + VAT	£1900.00 + VAT
Second system	£700.00 + VAT	£800.00 + VAT

Participants must attend a rehearsal starting at 12.00 on Sunday 6th June 2010
