

Try out IHE SHARAZONE for free for 6 months!

Special Offer for participants to
the Brussels 2026 IHE Europe Connectathon.

We offer to every company registered for the IHE Europe Connectathon in Brussels, to join the 20 companies, large and small that already benefit from [IHE SHARAZONE](#) (24 by 7 DICOM content testing) by taking advantage of this special offer.

Benefit from a full membership for free until the end of 2026, if you request your **IHE SHARAZONE Contract** plus the **Special Offer March 2026 IHE SHARAZONE Contract Addendum** to arianna.bellemo@ihe-europe.net before April 30 and *returned it signed before June 15th, 2026*.

We will help you at a time of your choosing, either during the IHE Connectathon or afterwards in registering your first systems and:

- *If your system is a CREATOR* to create your first shared test suite associated to your system DICOM Samples.
- *If your system is a CONSUMER*, to select among the more than 100 available shared test inputs from products registered by the current member companies.

Interested? Here is the plan:

1. No later than the last day of the IHE Europe 2026 Connectathon, request your **IHE SHARAZONE Contract plus the Special Offer March 2026 IHE SHARAZONE Contract Addendum** to the IHE-Europe Secretariat (Ms. Arianna Bellemo): secretariat@ihe-europe.net
2. Return your **IHE SHARAZONE Contract** and the **special offer addendum** signed before June 15th, 2026 to Arianna Bellemo, IHE Secretariat.
3. The yearly membership fee, between 200 Euros and 5000 Euros depending on your company size (See slide 11 in <https://www.ihe-europe.net/sites/default/files/2025-09/IHE%20SHARAZONE%20Overview%20and%20updates%20June%202025.pdf> will be waived until December 31st 2026. At the end of this free trial, you will be offered to join and if you decide, you will only be invoiced for 2027.
4. Set an appointment either during the Brussels Connectathon or later with a current member of SHARAZONE, at an agreed time, who will assist you registering your first system on IHE SHARAZONE and consume or create your first "Shared Test Input", including a test suite that suits your DICOM test samples. The system you register for IHE SHARAZONE does not need to be registered at the Vienna Connectathon
5. We encourage you to meet other SHARAZONE members at the morning session during the Connectathon week organized by the SHARAZONE Moderator (date and time announced on the Connectathon floor).
6. As soon as your **special offer IHE SHARAZONE Addendum and the Contract** are returned signed, you will be a full SHARAZONE member and allowed to test with as many shared inputs from as many products you want. You will also receive an invitation to join the Monthly SHARAZONE Members T-con.
